

# Vendor Covid-19 Guidelines

***Due to the current Covid-19 pandemic, and in recognition of the current Executive Order from the Governor's office, we ask that all Farmers Market vendors follow these safety precautions at the market:***

1. If you have a fever, or feel sick in any way, please stay home.
2. A mask or facial covering, AND gloves, are required.
3. We will be limiting the number of patrons inside the pavilion.
4. We recommend having two workers in each vendor booth: one to handle food products, and one to handle money.
5. No food sampling is permitted. In addition, please encourage shoppers not to touch the produce.
6. Please disinfect your booth/table(s) frequently.
7. Please use the provided handwashing station.
8. All booths will be spaced 6-feet apart. As such, please be flexible as your regular booth location may change slightly.

Hours of Operation: Fridays & Saturdays, 9 am – 2 pm

Location: Corner of Louis Glick Highway & Mechanic Street
